

Columbus 360

New to Columbus? Jumpstart life in your new city with Columbus 360, a two-day onboarding experience for executives and their spouses, designed to fast-track executive-level leaders' engagement with the Columbus community.

Connect with the people and places that make Columbus thrive. Explore the city's neighborhoods through arts, culture, food, sports, and city leadership. Whether you are moving on your own or bringing a partner and family, Columbus 360 helps you feel grounded and ready for your next chapter of life.

Columbus 360 gives leaders and their spouses the insights and relationships they need to thrive both professionally and personally in central Ohio. Gain essential context, connections, and confidence to help you lead effectively from day one.

What you'll gain...

- **A Sense of Community:** Insight into Columbus history, government, arts, culture, and diverse neighborhoods.
- **Lasting Connections:** New relationships with local leaders and fellow newcomers who share the transition experience.
- **Confidence in A New City:** Resources and knowledge that help you and your family navigate the move and feel at home in Columbus.

Columbus 360

Give your leaders more than an office, give them a city they feel connected to.
Columbus 360 turns top talent into committed community members.

I walked away with new insights, meaningful connections, and a deeper appreciation for the work Leadership Columbus is doing.

-Noe Arceo

Vice President Talent Acquisition and Workforce Development , OhioHealth
